

CORE VALUES

- **Connection:** We build effective partnerships and long-lasting relationships through effective communications and being responsive to needs.
- **Honesty:** We resolve to be truthful, authentic, and follow through on our commitments even when situations are uncomfortable, and outcomes are unknown.
- **Innovation:** We are curious, creative, adaptable, and not afraid to try new things using a human-centered design approach as we strive for excellence.
- **Learning:** We are an organization who seeks, analyzes, and measures the collective voices and experiences of others for continuous improvement.
- **Diversity, Equity, Inclusion, and Accessibility:** We create a culture where the diversity of people, thought and experience are welcomed and celebrated, and everyone feels valued.
